

## Biography

Steve Miller has been a database software developer for eighteen years, the last five of which have been with SIL International, working on SIL's [FieldWorks](#) project. He has just arrived back in the States after a year of working on the project in southeast Asia.

Miller has published numerous technical articles over the past dozen years, the <http://msdn.microsoft.com/library/default.asp?url=/library/en-us/dnsqipro04/html/sp04i1.asp>most recent<http://msdn.microsoft.com/library/default.asp?url=/library/en-us/dnsqipro04/html/sp04i1.asp> of which was picked up by Microsoft's MSDN Library. He also contributed two chapters to *Special Edition: Using Visual FoxPro 3*. He was a presenter at the 22<sup>nd</sup> International Unicode Conference, and has presented numerous database topics at software user group meetings.

Miller holds a Bachelor of Arts in Linguistics from Michigan State University.
