* Firms data include both firms with paid employees and firms with no paid employees.

Single dash (-) indicates suppressed when publications standards are not met, such as, the firm count is less than 3, or the relative standard error of the sales and receipts is 50 percent or more.

Double dash (--) indicates withheld to avoid disclosing data of individual companies; data is included in higher level totals.

Data suppression is based on employment size. Suppression codes: a=0-19 employees; f=500-999 employees; and g=1,000-2,499 employees.

Data may not sum to totals due to rounding.
